

3 February 2012

Dear Parents

I am writing to advise you of key dates for the rest of this academic year.

As we approach the final five months of compulsory education for Year 11 students, can I ask you to encourage your children to attend any revision/intervention sessions, and to ensure they focus on their studies in the coming weeks.

The current Year 11 are a talented and committed year group and we have the highest expectations for them.

Many thanks for your support.

Yours sincerely

G J Walker
Headteacher
