

Dear Parent

Students are now at the end of their third full week of study and I am sure that many of you will have noticed a significant increase in the amount of time that students are spending on their school work. There is a good feeling in school that Year 12 have begun to settle well into their courses but we are also aware that things are very different for students this year and many students will require help and support from home and school if they are to adjust quickly to the demands of AS study and achieve their potential in their AS exams.

I would like to invite you to attend a short presentation at school on Tuesday 11th October to give you more information, which I hope you will find useful in supporting your son or daughter through their next two years of study.

Areas that we will cover include:

- The importance of independent learning
- How much work should students be doing
- Study facilities in school
- Help and support available for students
- Communication with parents
- The importance of AS exam results
- Preparation for further and higher education
- Enrichment opportunities in the Sixth Form

The presentation will start at 7:00pm in the Eco Centre and will last about 45 minutes.

Please complete the slip below and return it to school, via your son/daughter's Form Tutor, so that we know who will be attending.

I look forward to meeting you on 11th October.

Yours sincerely

Richard King
Head of Year 12

✂.....

Name of student: _____ (please print) Form: _____

I will/will not be attending the presentation on Tuesday 11th October.

Signed _____ (parent/guardian)

Please return this slip to your son/daughter's Form Tutor
